# Dining room

*The table-shape edit*

Three shapes, considered alongside the living-room layout.

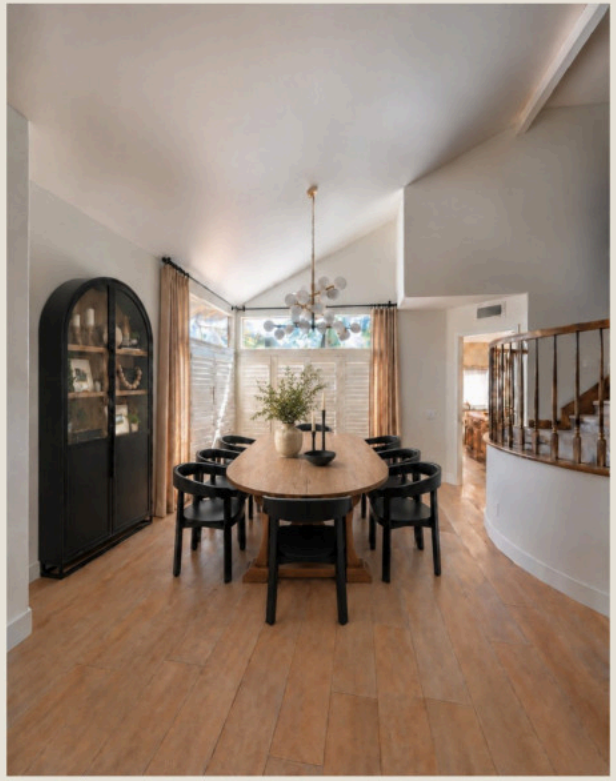

SHAPE / FINISH / CONNECTION

DINING CONCEPT / OVAL TABLE

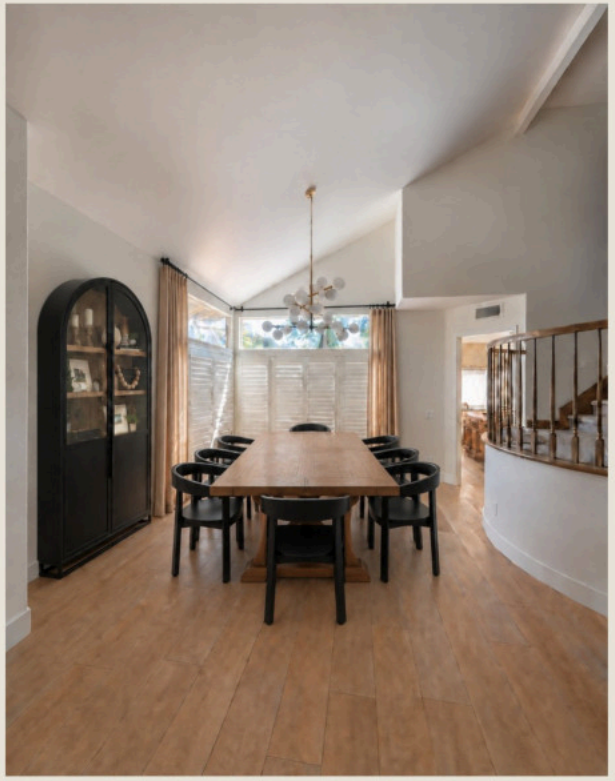

# Three shapes, one connected plan

The sofa layout allows all three shapes. The pool-table layout calls for the large round table.

## 03 Round

SOFA OR POOL-TABLE LAYOUT

TABLE SHAPE 01

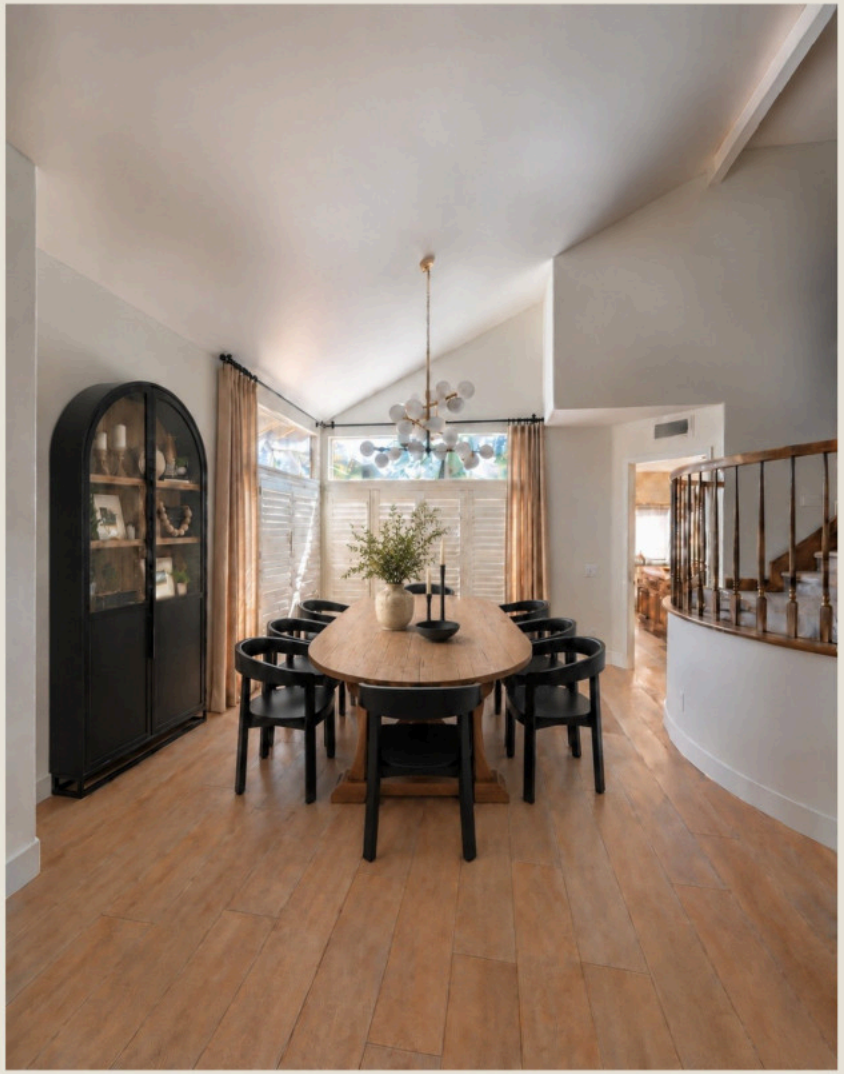

# The oval table

The oval-table concept is one of the three shape options available with the sofa-based living-room layout.

OVAL TABLE / FULL-ROOM CONCEPT

TABLE SHAPE 02

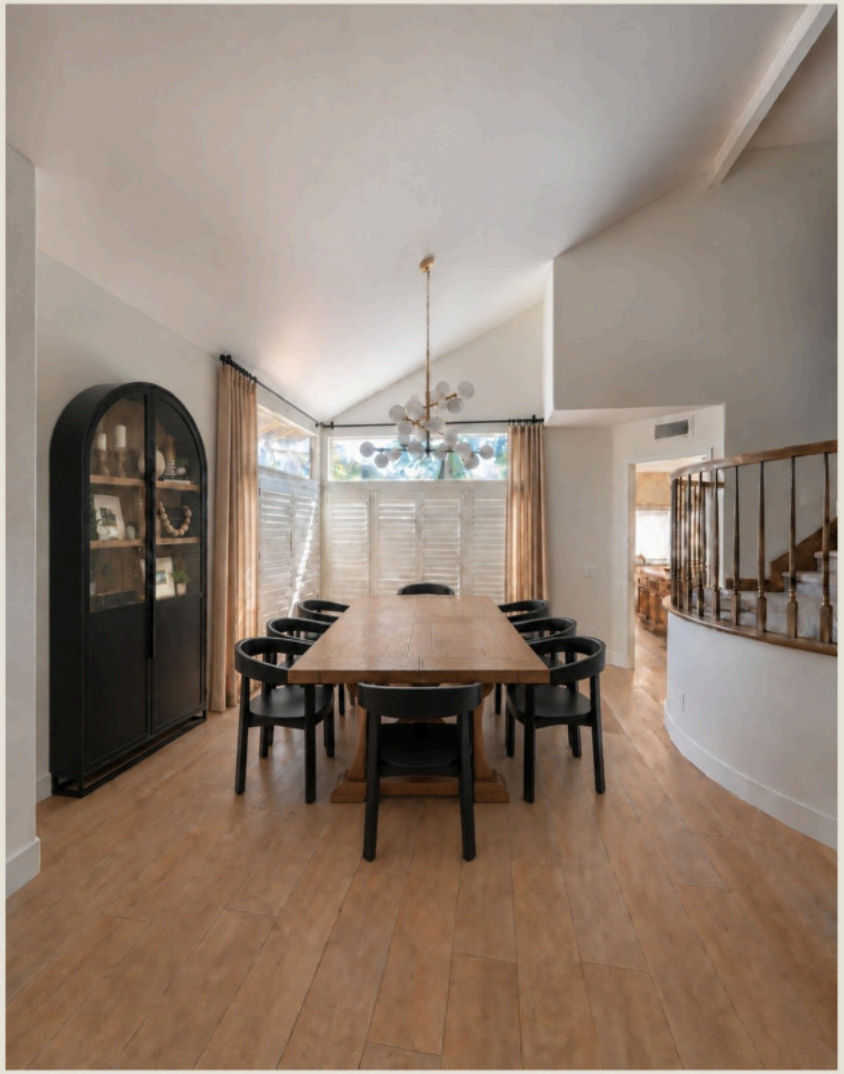

# The rectangular table

The rectangular-table concept is another option when the adjacent living room uses the sofa layout.

TABLE SHAPE 03

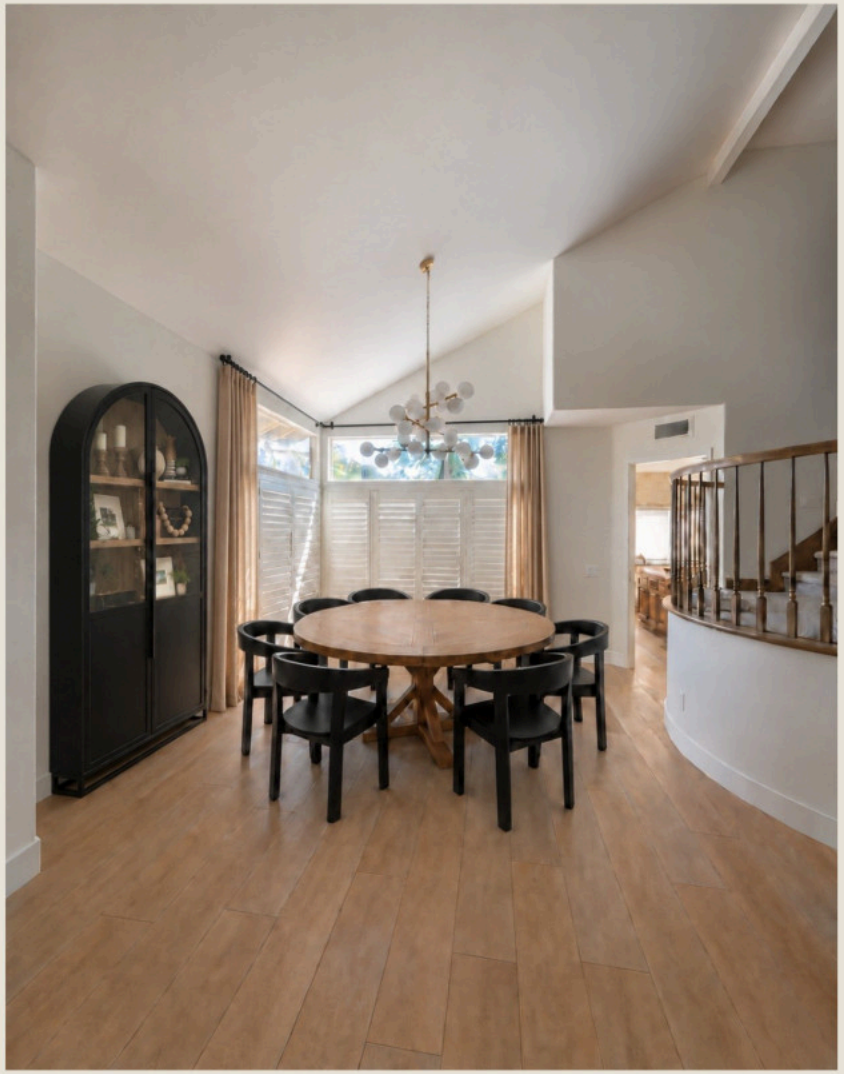

# The round table

The large round table can accompany the sofa layout and is the required shape for the pool-table layout.

THE CONSIDERED FINISH

# Start with the room plan

The living-room layout determines the dining-table choices.

01 **With the sofa layout**

Choose an oval, rectangular or round table.

02 **With the pool-table layout**

Use the large round dining table.

03 **Then choose the finish**

Choose black or a wood tone for the round table.
