Living room

The sofa concept

A layered seating arrangement with texture, personal art and light.

GATHER / LAYER / UNWIND

OPTION ONE / COMPLETED SEATING CONCEPT

A room built for gathering

01 **A connected backdrop**

Match the woven grass cloth used in the bar area.

02 **A grounded center**

A large rug and a large coffee table.

03 **A layered seating arrangement**

Two swivel chairs, an accent table and a leather chair.

04 **Personal art & layered light**

Artwork or family photos, picture lights and matching table lamps.

DESIGN CONCEPT

DESIGN LAYER 01

The textured backdrop

Add woven grass cloth to the back wall, matching the wall treatment planned for the bar area.

THE CONNECTING ELEMENT

Repeat the woven wall treatment between the two spaces.

SOFA CONCEPT / LAYER 01

DESIGN LAYER 02

Grounding the room

A large rug sets the foundation for the sofa-based seating arrangement.

THE FOUNDATION

The sofa and rug establish the center of the room.

SOFA CONCEPT / LAYER 02

DESIGN LAYER 03

A personal focal wall

Artwork, family prints or photos sit above the sofa, with picture lights above the frames.

PICTURE-LIGHT OPTIONS

Hardwired, or rechargeable with a remote.

DESIGN LAYER 05

Conversation & light

Two swivel chairs and a small accent table occupy the bay-window area. Side tables with matching lamps flank the sofa.

THE LIGHTING LAYER

Table lamps complement the picture lights above the art.

SOFA CONCEPT / LAYER 05

DESIGN LAYER 06

The completed seating

A leather chair finishes the seating arrangement, alongside the sofa, swivel chairs, accent table and coffee table.

THE FULL COMPOSITION

Woven texture, a large rug, personal art and multiple sources of light.

THE CONSIDERED FINISH

A layered living room

The sofa option leaves flexibility in the adjacent dining room.

01 **Keep the rooms connected**

Repeat the woven grass-cloth backdrop from the bar area.

02 **Complete the seating**

Sofa, two swivel chairs, a small accent table and a leather chair.

03 **Choose the dining shape**

A rectangular, oval or round table can accompany this layout.
